What is driving mental health problems?

Impacts of coronavirus by level of depressive symptoms, Great Britain

Source: Office for National Statistics, June 2020

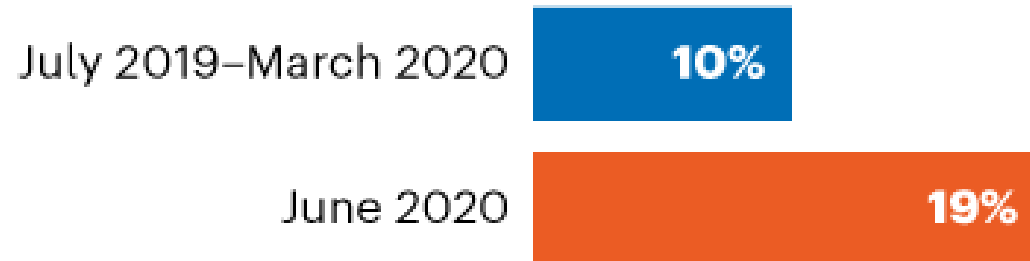

COVID'S MENTAL STRESS

The percentage of people experiencing symptoms of depression and anxiety has surged amid the COVID-19 pandemic, data from nationally representative surveys show.

■ Before pandemic ■ During pandemic

UK adults reporting symptoms of depression

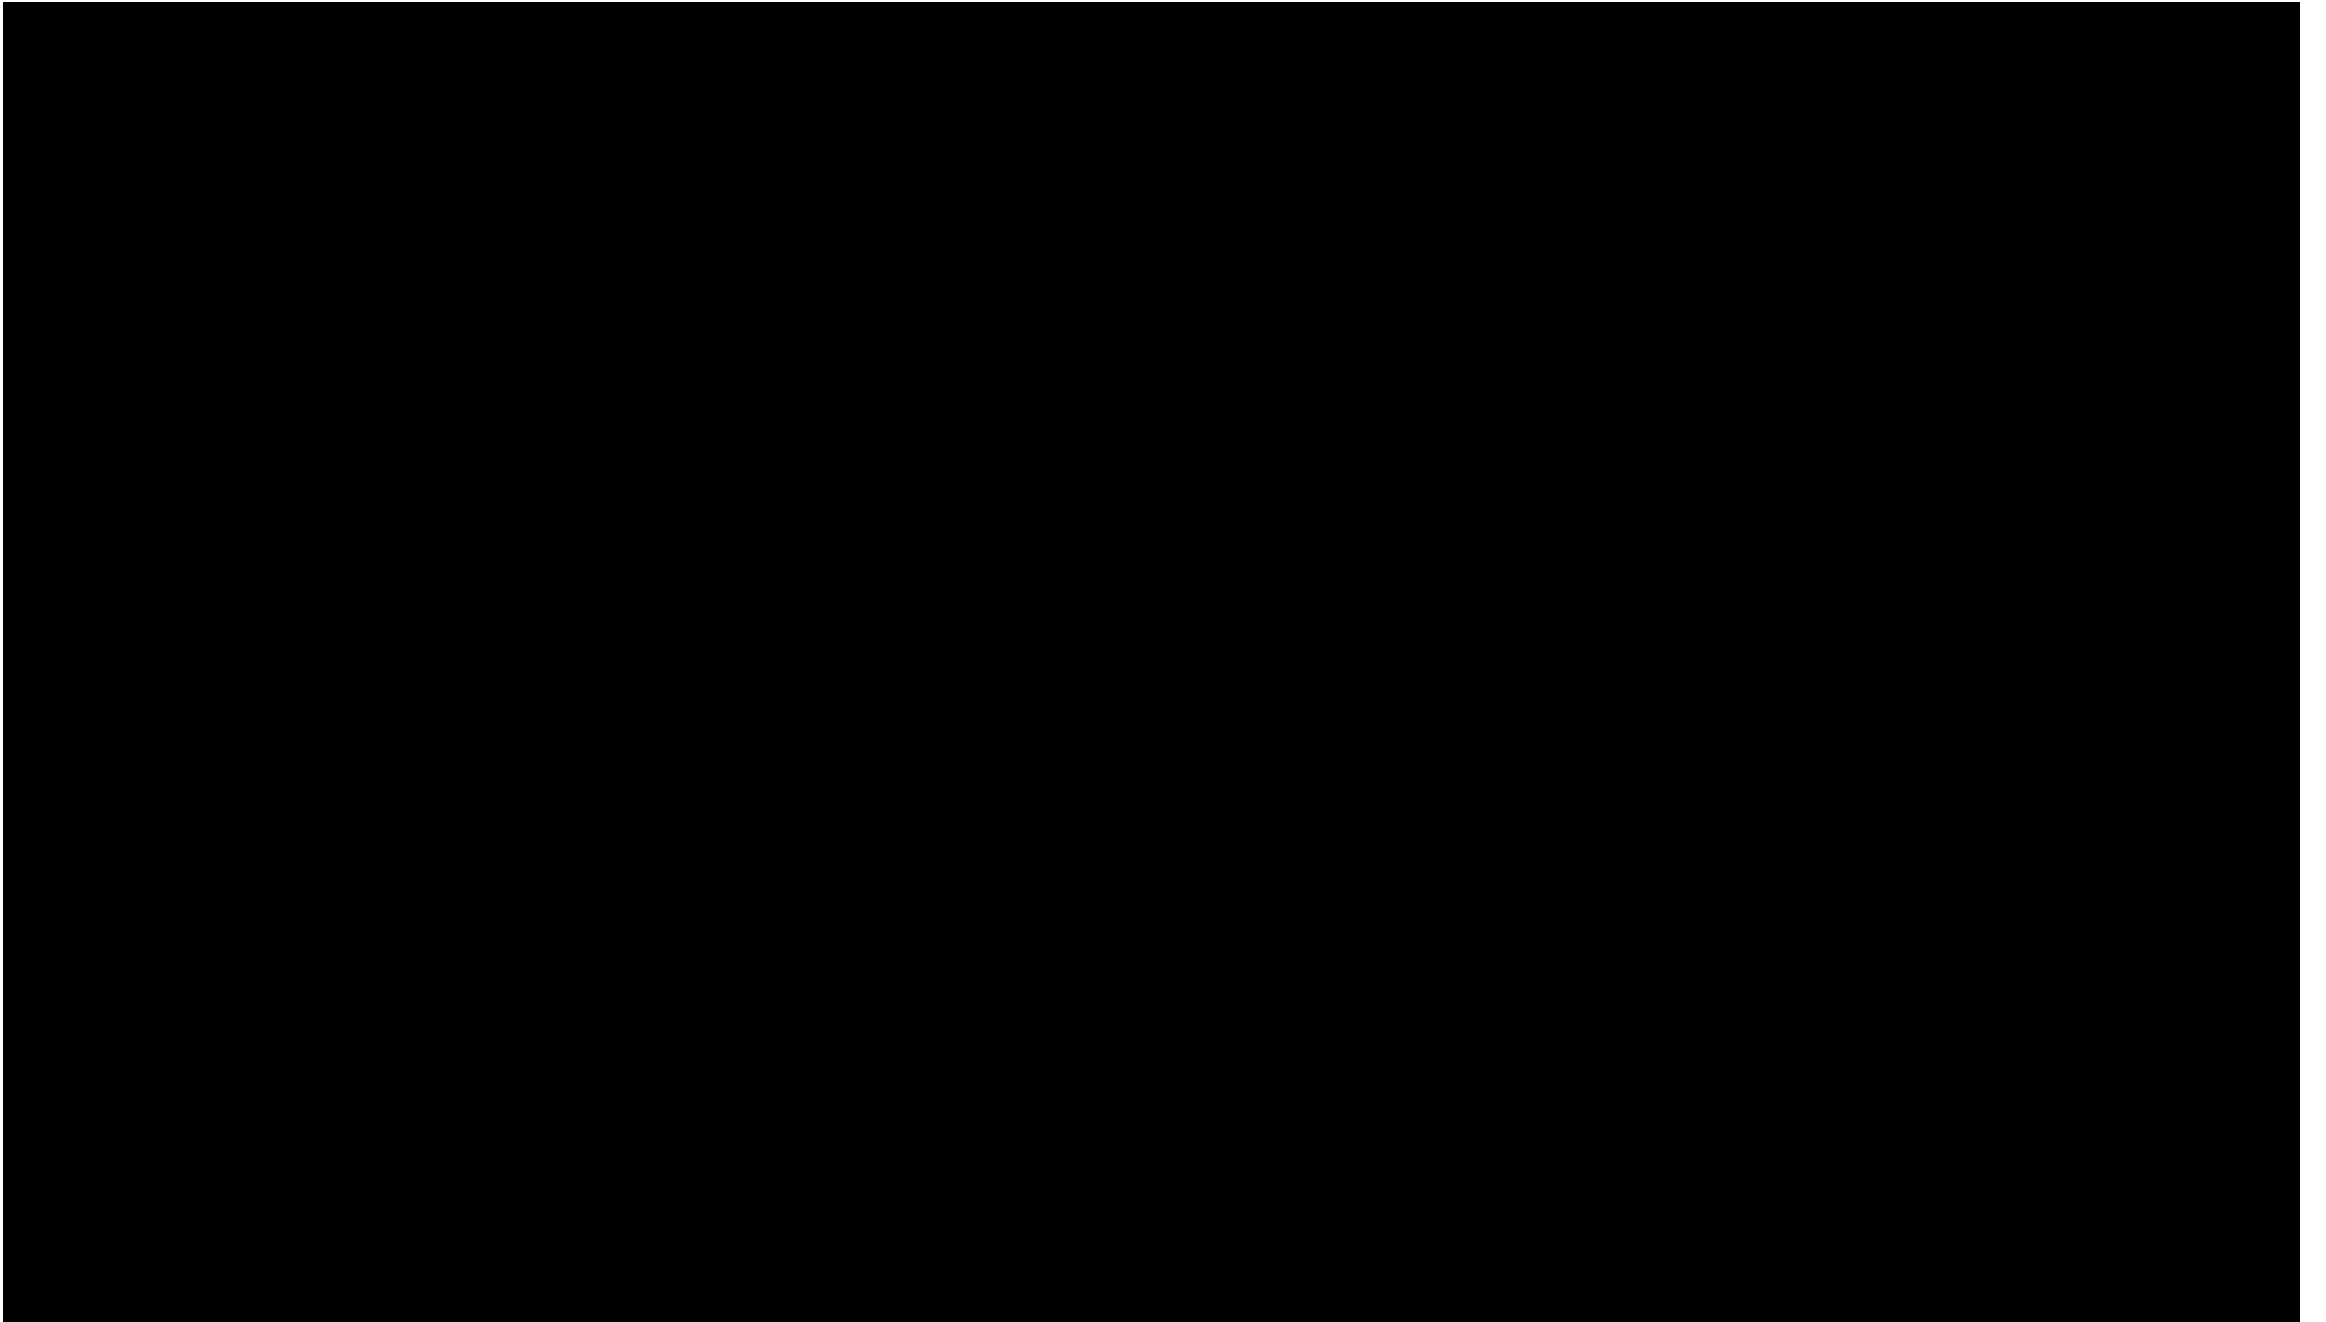

Tia's Crown , home of Dance Floor Heroes, is a charity set up to provide support for peoples physical and mental well-being through dance and social interaction where this previously may not have been available.

Dance Floor Heroes is our big charity flagship event and an opportunity for us to raise money to support organisations supporting people with physical and mental ill health. Its also our opportunity to give 12 people the journey of a life-time.
