Apprenticeships

A great way to invest and retain existing staff by upskilling via the apprenticeship route

An apprentice can be any age

SME

95% of the apprenticeship training cost is funded by the government, SME's only pay a 5% contribution

*If the apprentice is 16–18 and you have less than 50 employees then it is fully funded and you receive a **£1,000** incentive.*

B&FC offer apprenticeships across Level 2 up to level 6

Multiple sectors – Data, Cyber, Software, Networking, Leadership and Management, Project Management, Engineering, Manufacturing, Construction, AAT

Placements

T-levels require **315 hours** (45 days) in a meaningful placement

Costs nothing only time

Great way to source potential **new recruits**
that you have already had experience of

Fully Funded Training

(dependant on meeting the eligibility criteria)

From Maths and English, to improving Leadership skills, understanding Cyber (keeping your business safe), Customer Service, Digital Promotion for Business and many more...
