Angela Kershaw

Head of Business Growth, Blackpool Unlimited

What is the Blackpool Net Zero Business Academy?

Provide free advice and support to help your business save energy, carbon and money.

Create an Action Plan to help you reduce energy consumption

Understand your business's needs and challenges

Visit your business to see how you currently operate

Support you to implement the Action Plan

Funded by
UK Government

Blackpool Council

- How do I heat my restaurant more effectively?
- Can you help with energy costs at our premises?
- We want to install solar panels, but don't know who to trust?
- We need to decarbonize to attract future business, but we don't know where to start?
