

Disability Confident & Blackpool Leaders

David Rhodes – Employer Advisor

What is Disability Confident?

Disability Confident is a government-backed programme that supports businesses and organisations in making themselves more accessible to people with disabilities.

The Disability Confident programme aims to:

- Give employers the skills, techniques and confidence they need to recruit, retain and develop disabled people
- Increase the understanding amongst employers of disability and the benefits disabled people can bring to their businesses
- Increase the number of employers, across all sizes, sectors and locations, signing up to be Disability Confident and taking action that will make a difference to disabled people
