Project | SEARCH BLACKPOOL

Primary objective:

To secure competitive employment for
people with learning disabilities and/or
autism

Over **65%** of adults with a learning disability want to work but only 5.1% known to their local authority in England are in paid work.

Overview

- We are a supported internship programme based at Blackpool Council.
- Interns are 16-24 years old with a learning disability and/or autism who have a **passion to work**.
- 10 – 20 interns every academic year.
- Job Coaches support interns to complete 3 work placements.
