Other Business Support Services

Facilities and equipment access

From 3D Scanning and Podcast Studios to Clinical Skills Suites, you have access to **156 separate facilities and equipment** located across our **Preston, Burnley and Westlake's campuses.**

Our facilities, along with our highly trained and experienced colleagues help to aid and facilitate learning, teaching and the sharing of knowledge across our community.

Business Support Services

Research

In the latest government assessment of the quality of research across UK Higher Education, two-thirds of our submissions were recognised as **world-leading** or **internationally excellent**.

Collaborative partnerships can play a crucial role in helping businesses to thrive. We can assess the needs of your business and help you develop practical, real-world, solutions.

Centre for SME Development

Networking events, access expertise, 'Hot topic' masterclasses, workshops and wider business support

Innovation Lab

Offering digital twinning and much more...

Centre for Waste Management

A centre for research and development on waste, environmental management and pollution control

Help to Grow

A 12-week Leadership and Management Course for businesses (90% of course fees are Gov't funded)

Handshake

Handshake is free to use and channels opportunities to appropriate students very effectively
