See us, Hear us, Create with us

The Creative Fusion Youth LCEP Group aims to bring together a core group of creative youths in Blackpool to design, develop, and deliver exciting creative projects for the youth community. By providing a platform for young creatives to express themselves and develop their skills, we aim to empower them to become leaders in their community.

OBJECTIVES

Create a supportive environment for young creatives to collaborate and develop their skills.

Design and deliver creative projects that address the needs and interests of the youth community in Blackpool.

Foster a sense of ownership and pride among young participants in their projects and achievements.

Provide opportunities for feedback and reflection to continuously improve the quality of our projects and meetings.
